

Schedule a **FREE** Landscape Check-Up today!

The City of Corona Department of Water and Power offers **FREE** landscape check-ups to all of our customers. We can help you save water and stay within your water budget!

Our Water Resources Technicians are trained landscape irrigation auditors.

They will:

- Check and set the irrigation timer
- Ensure the valves are operational
- Check the sprinkler heads to ensure efficiency
- Make minor adjustments to the sprinklers as necessary
- Check the water meter for leaks on the property

- Provide recommendations for additional water savings

Call our Water Resources team today at
