Directors of the Jurupa Community Services District will meet in special session on May 30 to review and discuss the agency's fiscal 2012-2013 budget and set a public hearing to adopt the proposed spending plan.

The Jurupa district provides water and sewer service, graffiti removal and street lights for the cities of Eastvale and Jurupa Valley. The agency also is developing and manages the Eastvale park system.

Directors will meet at 5 p.m. at 11201 Harrel St. in Jurupa Valley.
