Notes:

1. If the meter is returned to the City with the same conditions as it was given to the applicant, a full refund shall be issued. If the meter is damaged, a partial refund shall be issued depending on the repair cost. If the meter is lost, stolen or damaged and the repair cost exceeds the meter deposit amount, the applicant shall receive no meter deposit refund.
2. The water usage charge will be deducted from the water deposit and the remainder deposit amount shall be refunded. If the water usage charge exceeds the water deposit amount, the applicant shall be billed for the water used. The construction reclaimed water rate is \$2.27 per unit (1 unit = 748 gallons).
3. The readiness to serve rate is a flat rate charged per month.
