

City of Corona Department of Water and Power

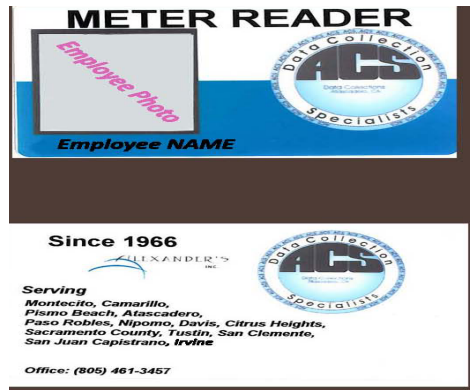

Contract Meter Readers

On March 16, 2011, the City of Corona contracted the reading of water meters to Alexander's Contract Services. They began their official duties on March 17, 2011. Below is a visual reference of what their employees' attire, badges, trucks, scooters, tools and computer units look like. If there are any questions please contact the Corona Department of Water & Power at 951-736-2321 or email: utilbill@ci.corona.ca.us.

Each reader carries a Metal Lid Stick to remove meter lids to obtain reading and Vest

Each employee is carrying a handheld unit to input meter reads

Each Employee has a badge with his / her name and picture

Employees will be riding a scooter similar to this or smaller mopeds. Units are registered to Alexander Contract Services or Beach City Mopeds

The employees will have a reflective vest that says METER READER over a blue uniform

Example of Alexander Logo on our white trucks
