

Schedule a FREE Landscape Check-Up today!

We can help you save water and stay within your water budget!

The Corona Department of Water and Power offers free landscape check-ups to all City water customers.

Our Water Resources Technicians are trained landscape irrigation auditors. They will:

- ◆ Check and set the irrigation timer
- ◆ Ensure the valves are operational
- ◆ Check the sprinkler heads to ensure efficiency
- ◆ Make minor adjustments to the sprinklers as necessary
- ◆ Check the water meter for leaks on the property
- ◆ Provide recommendations for additional water savings

Call us today at (951) 736-2234 to schedule your free landscape check-up. Or email us at StopTheDrop@discovercorona.com.

What people are saying:

"...very pleased with staff and their knowledge about water conservation..."

"...timed the sprinklers so we are more water efficient and our grass will not suffer..."

"I am sure our water bill will be going down"
